Subject: Post of Assistant to the Photographer in the Department of Archaeology.

Adverting to correspondence ending with Government Order No.E.10634-6/Archy.1-49-34 dated 23rd March 1950 in connection with the above mentioned subject, I have the honour to submit that the post was advertised as per rules of recruitment by the Public Service Commissioner for Mysore, Bangalore, and applications are expected to be received here. But in the meanwhile, agreeably to the Government Order No.E.2924-5/Archy. 2-48-23 dated 24th September 1949 the arrangements in respect of the post which had been sanctioned only for a period of one year, had to be terminated with effect from the 24th September 1950.

I beg to submit that the need for such a post in this Department has been explained by me in letter No.362 dated 15th February 1949. At present ~~only~~ The reports of the Department for 1947, 1948, and 1949 are in the course of being made ready for the press. The illustrations for these reports as well as for the monograph on the excavations at Chandravalli which is already in the press are under active preparation. Guide books to places of architectural and historical interest apart from those which are already issued by the Department are also in the course of preparation along with the picture post-cards and albums of views of important monuments and sculptures in the State. The work of the Photographic Section in this Department is of a highly technical nature and arduous both during tours and at headquarters and the only photographer of the Department finds it very hard to cope with the work single handed without some assistance. It is therefore requested that Government may graciously be pleased to continue the appointment for a further period of one year by which time it might be possible to

clear ~~the~~ a major portion of the arrears of the publication work of this Department.

Yours faithfully,

C. Narasimhachar
